What do we do?

Fundraise

Through membership fees, book sales, handprint sales and other fundraising events we plan to help fund:

- Library programs
- Capital projects
- Furnishings
- Other projects as they come up (soon to be a new Bookmobile)

Promote

Promote the library to the wider community:

- Encourage others to use and enjoy the library
- Promote programs and events
- Promote reading and literacy

Volunteer

Friends don't have to volunteer but as a friend you can find out about volunteer opportunities at the library, fundraising events or on the Friends executive.

When and **Where** do we have meetings?

At this time Friends of the Library plans to meet quarterly. All members are welcome to attend. Meetings will take place in the Margaret Green room at the Stonewall Library.

If you value your library, becoming a "Friend" is a great way to show your support!
