Covid-19 - Update

ALL SOUTH INTERLAKE LIBRARY BRANCHES CLOSED UNTIL FURTHER NOTICE.

On March 14th South Interlake Regional Library cancelled all programs and outreach services including the Bookmobile. After careful consideration and with the health and safety of our community members and staff in mind we have decided to further reduce services. Effective immediately our Stonewall and Teulon branches will also be closed.

- All library items currently checked out will be given an extended due date so no overdue fines will accumulate.
- Book drops will remain open if you want to return items.
- Staff will be available to offer phone or email support for online resources.

The library offers a number of online resources including ebooks, audio books, movies and courses. Please see the website at www.sirlibrary.com for more information. For all online resources your login ID is your library card number and your Password default is the last 4 digits of your phone number.

If you need support for these online resources please contact your branch at:

Stonewall Library - Stonewall@sirlibrary.com - 204.467.8415

Teulon Library - Teulon@sirlibrary.com - 204.886.3648

As the COVID-19 pandemic rapidly evolves, we all have a role to play in being proactive to help slow its spread and minimizing its impact on our health care system and in our communities.

Public health officials are reminding all Manitobans to frequently wash their hands, cough and sneeze into their sleeves and to stay home when sick. . Social distancing strategies are recommended to limit the spread of COVID-19.
